

Notes

KEY

Datum - OSBM 50.62m  
Located on North Face of Wall With Junction of Murray St / Jersey St

All displacements are in millimetres

■ Negative Values Indicate Distances Away From Building From Building Face Reference Plane

■ Positive Values Indicate Distances Into Building From Building Face Reference Plane

Note: Due to the scaffolding and structural condition of the building, a new baseline was installed to define the vertical reference plane and therefore deviations from it. Results were subsequently adjusted to relate to the reference plane used in the 2002 survey.

Some areas of the building are obscured by scaffolding
